

Hello [First Name],

Congratulations! Voting is now open in the Civics Unplugged Mock Election! Voting is open until **7pm ET on Thursday, February 9.**

Here is your voter registration information, which you will need when using the voting app:

[First Name] [Last Name]
[Email]
Year of birth: 2004
Last 4 of Social Security Number: 1234
Driver's License #: W98765
Residential Address: 1 Main Street, Denver, CO 80204

To begin voting, click here: <https://markit.avx.demo.assembly-voting.com/getting-started>

Voting Checklist:

- Have the voter registration information ready when voting. You'll need it to access your ballot.
- When prompted to provide a witness signature, you may enter any name and signature.
- Please select digital return when prompted. (You'll also have the option to use physical return, which we cannot accommodate for this mock election.)
- After marking your ballot, but before submitting it, be sure to click here to perform a ballot check and make sure everything is working correctly:
https://vmb.alpha-test.assemblyvoting.net/2023_Demo_Election
- Once you submit your ballot, click here to track it and confirm it was received:https://dbas.alpha-test.assemblyvoting.net/2023_Demo_Election
- After voting, please take a few extra moments to complete a survey about your voting experience: <https://mobilevoting.org/mock-election-participant-feedback-survey/>

Questions about how to use the voting app? Click here for additional information:
<https://mobilevoting.org/welcome-to-votehub-faq/>

Thank you for participating in this Mock Election! Remember to get your vote in by **7pm ET on Thursday, February 9!**
