It's time to (mock) vote!

Hello *|HTML:MMERGE6|*,

Congratulations! Voting is now open in the 18byVote Mock Election! Voting is open until 11:59pm ET on Wednesday, July 19.

To begin voting, click the link below to install the VoteHub app from the Google Play Store.

Next, open the app and select Begin.

When prompted, choose **US** as your State and **18byVote** as your County/Municipality.

Here is your voter registration information, which you will need when using the voting app:

[First Name] [Last Name]

[Email]

Year of birth: 2004

Last 4 of Social Security Number: 1234

Driver's License #: W98765

Residential Address: 1 Main Street, Anytown, US 20001

Voting Checklist

- Have the voter registration information shown above ready when voting. You'll need it to access your ballot.
- Please select digital return when prompted. (You'll also have the option to use physical return, but we are not utilizing this feature for this mock election.)
- After you mark your ballot and sign your affidavit, be sure to [click here](#) to perform a ballot check and make sure everything is working correctly:
- Once you submit your ballot, [click here](#) to track it and confirm it was received.
- After voting, please take a few extra moments to [complete a survey](#) about your voting experience.

Questions or need help? Click below for additional information or contact us at tech@freedemocracyfoundation.org for assistance.
